

PRODUCT SHEET

AUXSLIM

AUXILIARY PANEL SERIES

Slim Approach

The **RE.DE.CON AUXSLIM auxiliary panel** comprises of ultra slim panels with robust aluminum extrusion frame and a unique aluminium profile post. At a depth of only 100mm, the ultra slim panels blend perfectly with flat panel displays installed alongside.

Total Cable Concealment

All hard-wire cables are fed through the panel and extrusion, effectively concealing messy cables from sight.

Designed for Flexibility

AUXSLIM offers flexibility in customisation, replacement and expansion.

Maintenance Friendly

Fitted with heavy duty hinges and panel lid-stays, the front access panels provide ease of access to equipment and fittings.
