

ENCORVA

CONSOLE SERIES

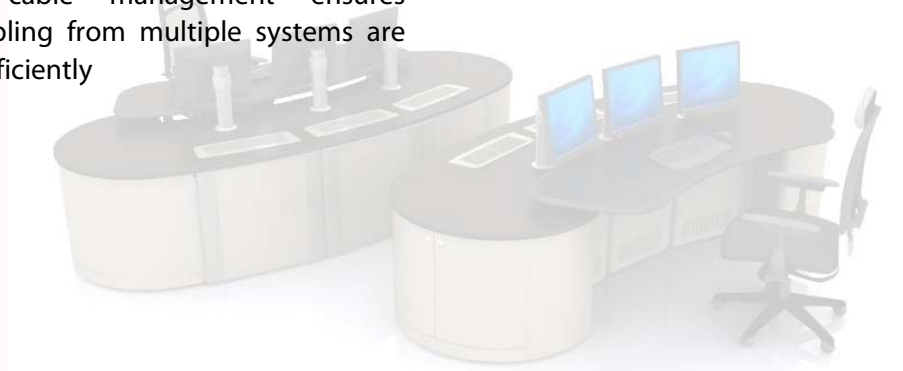

Subtle Opulence

RE.DE.CON **ENCORVA Console** is a concave console desk system that exudes personality and grandeur. Deployed widely in major control centres, this highly customisable console system makes multiple sub-system integration a breeze.

Product Benefits

- An aesthetically-pleasing system suitable for large control centre deployments
- Highly customisable to suit project specifics to seamlessly integrate with multiple sub-systems
- Exceptionally sturdy steel structure with unique aluminium extrusions
- Durable work surface in compact laminate with post-form ergonomic nosing
- Modular system for ease of assembly and configuration
- Integrated cable management ensures complex cabling from multiple systems are organised efficiently

RE.DE.CON, derived from "redefine conventions", represents our commitment to continuously redefine conventions in the command and control centre arena.
