

# PROFILE

FLAT PANEL DISPLAY  
MOUNT SERIES

## Robust Deployment

The **RE.DE.CON PROFILE flat panel display mount** is built to last with its unique extruded aluminum post and heavy-duty base mount.

## Ergonomic Comfort

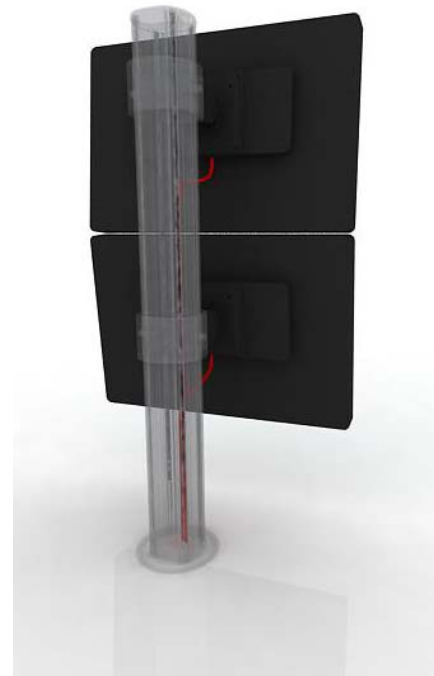

For maximum comfort and productivity, the height and up/down tilt of the displays can be adjusted with ease.

## Concealed Cable Management

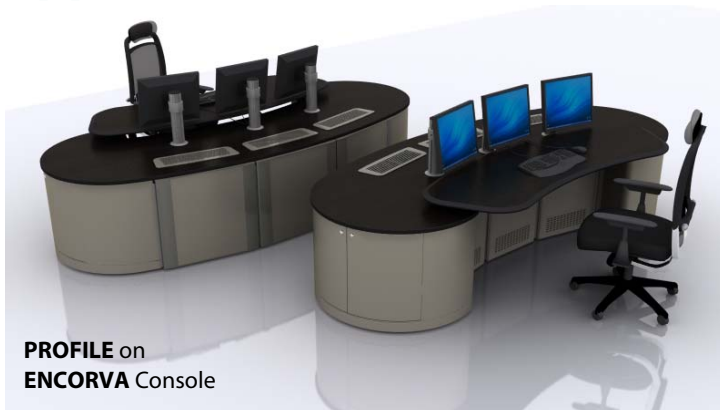

Video and power cables are fed through the extrusion and the desk, effectively concealing messy cables from sight.

## Multiple Configurations

The **RE.DE.CON PROFILE flat panel display mount** accommodates arrangement in single, dual, triple and quad configurations.

## Applications

**PROFILE on  
ENCORVA Console**

**PROFILE on  
TRAX Console**

**RE.DE.CON**, derived from "redefine conventions", represents our commitment to continuously redefine conventions in the command and control centre arena.
